

Cookie Policy of intexo.it

Cookies consist of portions of code installed in the browser that assist the Owner in providing the Service according to the purposes described. Some of the purposes for installing cookies may also require the consent of the user.

When the installation of Cookies takes place on the basis of consent, this consent can be freely revoked at any time by following the instructions contained in this document.

Technical and aggregate statistical cookies

- Activities strictly necessary for operation

This Application uses Cookies to save the User's session and to carry out other activities that are strictly necessary for the operation of this Application, for example in relation to the distribution of traffic.

- Activities for saving preferences, optimization and statistics

This Application uses Cookies to save browsing preferences and to optimize the User's browsing experience. These cookies include, for example, those for setting the language and currency or for the management of statistics by the owner of the site.

- Other types of Cookies or third-party tools that could install them

Some of the services listed below collect statistics in aggregate and anonymous form and may not require the consent of the User or could be managed directly by the Owner - depending on how they are described - without the help of third parties.

If among the tools indicated below there are services managed by third parties, these could - in addition to what is specified and also without the knowledge of the Owner - perform User tracking activities. For detailed information on this, it is advisable to consult the privacy policies of the services listed.

- Statistics

The services contained in this section allow the Data Controller to monitor and analyze traffic data and are used to keep track of User behavior.

Google Analytics (Google Inc.)

Google Analytics is a web analysis service provided by Google Inc. ("Google"). Google uses the Personal Data collected for the purpose of tracking and examining the use of this Application, compiling reports and sharing them with other services developed by Google.

Google may use the Personal Data to contextualize and personalize the advertisements of its own advertising network.

Personal Data processed: Cookies and Usage Data.

Place of processing: Italy - Privacy Policy - Opt Out.

How can I express consent to the installation of Cookies?

In addition to what is indicated in this document, the User can manage preferences relating to Cookies directly within their browser and prevent - for example - third parties from installing them. Through the browser preferences it is also possible to delete the Cookies installed in the past, including the Cookie in which the consent to the installation of Cookies by this site is eventually saved. The User can find information on how to manage Cookies with some of the most popular browsers, for example at the following addresses: Google Chrome, Mozilla Firefox, Apple Safari and Microsoft Internet Explorer.

With reference to Cookies installed by third parties, the User can also manage their settings and withdraw consent by visiting the relative opt out link (if available), using the tools described in the third party's privacy policy or by contacting the third party directly.

Notwithstanding the foregoing, Users are informed of the possibility of using the information provided by YourOnlineChoices (EU), Network Advertising Initiative (USA) and Digital Advertising Alliance (USA), DAAC (Canada), DDAI (Japan) or other similar services. With these services it is possible to manage the tracking preferences of most advertising tools. The Data Controller therefore advises Users to use these resources in addition to the information provided in this document.

Data Controller

INTEXO SB S.r.l.

Owner contact email: intexo@intexo.it

Since the installation of third-party Cookies and other tracking systems through the services used within this Application cannot be technically controlled by the Owner, any specific reference to Cookies and tracking systems installed by third parties is to be considered indicative. To obtain complete information, the User is invited to consult the privacy policy of any third party services listed in this document.

Given the objective complexity surrounding the identification of technologies based on Cookies, Users are encouraged to contact the Owner should they wish to receive any further information on the use of Cookies by this Application.

Definitions and legal references

Personal Data (or Data)

Any information that, directly or indirectly, also in connection with any other information, including a personal identification number, makes a natural person identified or identifiable constitutes personal data.

Usage Data

This is information collected automatically through this Application (including from third-party applications integrated into this Application), including: IP addresses or domain names of the computers used by the User who connects with this Application, addresses in URI notation (Uniform Resource Identifier), the time of the request, the method used to forward the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response from the server (successful, error, etc.) country of origin, the characteristics of the browser and operating system used by the visitor, the various temporal connotations of the visit (for example the time spent on each page) and the details of the itinerary followed within the Application, with particular reference the sequence of the pages consulted, the parameters relating to the operating system and the IT environment of the User.

User

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Interested

The natural person to whom the Personal Data refers.

Data Processor (or Manager)

The natural person, legal person, public administration and any other body that processes personal data on behalf of the Data Controller, as set out in this privacy policy.

Data Controller (or Owner)

The natural or legal person, public authority, service or other body which, individually or together with others, determines the purposes and means of the processing of personal data and the tools adopted, including the security measures relating to the operation and use of this Application. The Data Controller, unless otherwise specified, is the owner of this Application.
