interested party when accessing the website [www.intexo.it](http://www.intexo.it) and / or the conclusion of contracts for the services offered by the Data Controller.

#### *a) Navigation data*

The computer systems of the Site collect some Personal Data whose transmission is implicit in the use of Internet communication protocols. It is about information which are not collected to be associated with the user, but which by their very nature could, through processing and association with data held by third parties, allow you to be identified. These include IP addresses or domain names of the devices used to connect to the Site, the addresses in URI (Uniform Resource Identifier) of the requested resources, the time of the request, the method used in submitting the request to the server, the size of the file obtained in response, the numeric code indicating the status of the response given by the server (good end, error, etc.) and other parameters related to your operating system and environment computer scientist. These data are used in order to obtain anonymous statistical information on the use of the Site and to check its correct functioning; to allow – view the architecture of the systems used - the correct provision of the various functions requests, for security reasons and to ascertain responsibility in case of hypothetical computer crimes against the Site or third parties and are deleted after 30 days.

#### *b. Data provided voluntarily*

Through the Site, the user has the possibility to voluntarily provide Personal Data such as name and e-mail address. The Data Controller will process this data in compliance with the Applicable Regulations, assuming that they refer to the user or to third parties who have expressly authorized the user to provide them on the basis of an appropriate basis legal basis that legitimizes the processing of the data in question. With respect to these hypotheses, the user acts as an independent data controller, assuming all legal obligations and responsibilities.

#### *c. Cookies and related technologies*

The Owner does not collect Personal Data through cookies. The cookies used by Owner are of a technical nature only.

Other Personal Data that may be collected are those necessary for the requests and the preparation of estimates for the customers of the owner, and for the subscription of contracts between the Owner and its customers and employees, and / or for tax reasons.

## **2. Purpose, legal basis and nature of the processing**

The data of the interested party are processed for the following purposes:

A) Service Purpose (pursuant to art. 6 letter b) of the "GDPR" and art. 24 lett. a), b), c) of the Privacy Code), consisting of the activities described below:

- a) respond to requests related to the services offered by the Data Controller;
- b) conclude the contracts for the services of the Data Controller;
- c) fulfill the pre-contractual, contractual and tax obligations deriving from existing

relationships with the user / interested party;

d) fulfill the obligations established by law, by a regulation, by legislation Community or by an order of the Authority (such as in the matter of money laundering);

e) exercise the rights of the owner (for example the right to defense in court).

The legal basis for the processing of Personal Data for the purposes referred to in point a), b) and c) is the provision of a service or the response to a request that does not require the consent pursuant to Applicable Law.

The purposes referred to in points d) and e) represent a legitimate processing of data Personal pursuant to the Applicable Law as, once the Personal Data has been provided, the processing is indeed necessary to fulfill a legal obligation to which the Owner is subject.

The provision of Personal Data for the purposes listed above is mandatory, their failure to provide it could make it impossible to find one request or fulfill a legal obligation to which the Data Controller is subject.

B) Only with the specific and distinct consent of the interested party for Marketing Purposes (pursuant to articles 23 and 130 of the Privacy Code and article 7 of the GDPR) consisting of

activities described below:

- sending via e-mail, post and / or sms and / or telephone contacts, newsletters of commercial communications and / or advertising material on products or services offered by the Data Controller and detection of the degree of satisfaction with the quality of services;

### 3. Processing methods

The processing of Personal Data is carried out by means of the operations indicated in pursuant to art. 4 n. 2), of the "GDPR" and of the Applicable Regulations and precisely: collection, recording, organization, storage, consultation, processing, modification, selection, extraction, comparison, use, interconnection, block, communication, cancellation and destruction of data. The personal data of the interested party they are subjected to both paper and electronic and / or automated processing.

The treatment will be carried out in an automated and / or manual form, in compliance with the provisions of art. 32 of the GDPR 2016/679 regarding security measures, ad work of persons specifically appointed and in compliance with the provisions by art. 29 GDPR 2016/679.

The Data Controller will process the Data for the time necessary to fulfill the purposes referred to above and in any case for no more than 5 years from the termination of the relationship for the purposes of Service, while for the processing of Data for Marketing Purposes the same will be kept in compliance with the principle of proportionality and in any case up to that the purposes of the processing have not been pursued or until – if previously - there is no revocation of the specific consent by of the interested party.

More information about the retention period of Personal Data and the criteria used to determine this period can be requested by writing to the email address.

#### **4. Access to data**

Personal Data may be made accessible for the purposes referred to in art. 2.A) and 2.B) to:

- employees and collaborators of the Data Controller in Italy and abroad, in their capacity as persons in charge and / or data processors and / or system administrators;
- third-party companies or other subjects (by way of example, credit institutions, professional firms, consultants, insurance companies for the provision of insurance services, etc.) who carry out outsourced activities on behalf of the Data Controller, in their capacity as Data Processors .

#### **5. Communication of data**

Without the need for express consent (pursuant to art. 24 letter a), b), d) Privacy Code as amended and art. 6 lett. b) and c) "GDPR"), the Data Controller may communicate the Data for the purposes referred to in art. 2.A) to Supervisory Bodies, Judicial Authorities, to insurance companies for the provision of insurance services, as well as to those subjects to whom the communication is mandatory by law for the accomplishment of the aforementioned purposes. These subjects will process the Data in their capacity as independent data controllers. The data will not be disclosed.

#### **6. Data transfer**

Personal data will not be transferred to third countries outside the European Union.

#### **7. Nature of the provision of data and consequences of refusal to respond**

The provision of data for the purposes referred to in art. 2.A) is mandatory. Otherwise, the Data Controller will not be able to guarantee the provision of the services referred to in the previous art. 2.A).

The provision of data for the purposes referred to in art. 2.B) is optional. The interested party has the right to decide not to provide any data or to subsequently deny the possibility of processing data already provided: in this case, he will not be able to receive newsletters, commercial communications and advertising material relating to the services offered by the Data Controller.

#### **8. Rights of the interested party**

Pursuant to art. 7 of the Privacy Code as amended and of the articles 15-21 of the "GDPR" the interested party has the right to:

- obtain confirmation as to whether or not Personal Data is being processed concerning him at the Data Controller;
- obtain the following information from the Data Controller: a) the origin of the Personal Data; b) the purposes and methods of the processing; c) the logic applied in case of treatment carried out with the aid of electronic tools; d) the details identifiers of the owner, managers and any representative designated pursuant to art. 5, paragraph 2 of the Privacy Code and art. 3, paragraph 1 "GDPR"; e) the subjects or categories of subjects to whom the personal data may be communicated or who can

learn about them in quality Data Processor in the territory of the State, of managers or in charge; f) where possible, the retention period of the Data.

- obtain from the Data Controller: a) the updating, rectification or, when there is has an interest in the integration of data; b) cancellation, transformation into anonymous form or blocking of data processed in violation of the law, including those that do not need to be kept for the purposes for which the data have been collected or subsequently processed; c) the attestation that the transactions referred to in letters a) and b) have also been brought to the attention as regards their content, of those to whom the data were communicated or disseminated, except in the case in which this fulfillment is revealed impossible or involves a manifestly disproportionate use of means with respect to the protected right;

- object, in whole or in part: a) for legitimate reasons to the processing of the Data Personal, even if pertinent to the purpose of the collection; b) to the treatment of Personal Data for the purpose of sending advertising or direct sales material or for carrying out market research or commercial communication, through the use of automated call systems without the intervention of a operator by e-mail and / or through traditional marketing methods by telephone and / or paper mail.

Where applicable, it also has the rights referred to in Articles. 16-21 of the "GDPR" (Right of rectification, right to be forgotten, right to limitation of processing, right to data portability, right of opposition), as well as the right of complaint to the Guarantor Authority.
